

A Scientific Network for Earthquake, Flood and Landslide Hazard Prevention

Press release

OFFICIAL OPENING & KickOff Meeting JUNE 7 & 8 2013, SERRES, GREECE

We are very pleased to announce the kickoff Meeting of the Research Project «A Scientific Network for Earthquake, Landslide and Flood Hazard Prevention - SciNetNatHazPrev» which is implemented under the “BLACK SEA BASIN Joint Operational Programme “, co-funded by the European Union and national funds of the participating countries. The meeting is going to be held at the premises of Hotel Elpida Resort & Spa, on JUNE 7 & 8, 2013.

The global objective of the Project is to achieve a strong regional partnership and cooperation by the Development of a Scientific Network for the establishment of a scientific consensus, in order to setup common strategies and natural hazard prevention methods. The Scientific Network members will work together sharing competencies and resources to address earthquake, landslide and flood hazards which do have Trans - boundary consequences both on the economy and on the environment.

Lead Partner/Beneficiary (ENPI):

TECHNOLOGICAL EDUCATION INSTITUTE of SERRES, GREECE

Partners:

DEMOCRITUS UNIVERSITY of THRACE, GREECE, ANATOLIKI MAKEDONIA THRAKI (ENPI P1)

EARTHQUAKE PLANNING AND PROTECTION ORGANIZATION EPPO - Thessaloniki's Branch / Former Institute Of Engineering Seismology And Earthquake Engineering - ITSAK, GREECE, KENTRIKI MAKEDONIA (ENPI P2)

BURGAS ASSEN ZLATAROV UNIVERSITY, BULGARIA, YUGOSTOCHEN (ENPI P3)

OVIDIUS UNIVERSITY OF CONSTANTA, ROMANIA, SUD-EST (ENPI P4)

INSTITUTE OF ELECTRONIC ENGINEERING AND NANOTECHNOLOGIES “D.GHITU” OF ACADEMY OF SCIENCES OF MOLDOVA, MOLDOVA (ENPI P5)

ENVIRONMENTAL ACADEMY of SCIENCES, Black Sea Branch, ODESSA, ODESSA (ENPI P6)

IPA Beneficiary

KANDILLI OBSERVATORY AND EARTHQUAKE RESEARCH INSTITUTE - KOERI, BOGAZICI UNIVERSITY, Istanbul, TURKEY (IPA Beneficiary)
